GENERAL INSTRUCTIONS

THIS RETURN IS USED FOR BUSINESSES AS WELL AS FOR INDIVIDUALS. PARTS OF THE RETURN WILL NOT APPLY TO EVERY TAXPAYER.

1. WHO IS REQUIRED TO FILE THIS RETURN

ALL RESIDENTS having earned income, MUST file a City Income Tax Return no later than April 17th of each year, even if the entire tax has been withheld. Failure to comply is considered a misdemeanor under the Tax Ordinance, subject to severe penalties. The Ordinance imposes the tax on all salaries, wages, commissions and other compensation from all sources, including rental, partnerships and passthrough income regardless of where it is earned (exception: S-Corp passthrough taxable to extent allocated to the state of Ohio). A full tax credit is allowed for each city receiving tax if the tax rate is 1½% or less.

Married taxpayers may file their city return separately or jointly. However, if both spouses' incomes are reported on one tax return, the income of each spouse will be segregated and losses of one spouse will not be permitted to reduce the income of the other spouse.

Non-resident business entities and/or individuals, must file a return on income attributable to and/or earned in Sylvania on which no tax was paid or withheld to Sylvania.

2. PRIMARY AND SECONDARY SOURCES OF INCOME

W-2 income cannot be reduced by losses.

If a taxpayer has multiple sources of income subject to Sylvania tax, the principal source of income is generally considered to be that source subject to Sylvania tax, which produced the highest dollar amount of income, either on a form W-2 or on the net profit as shown on various federal tax forms. Primary source income can change from year to year. Primary source income can not be reduced by secondary source losses.

Secondary source income is the aggregation of the remaining types of income. If the aggregation is a net profit, the income is taxable. If the aggregation is a net loss, the loss may be carried to any of the succeeding 5 tax years to be used against an aggregated net profit. Credit for tax paid to another municipality on income will be allowed on the Sylvania tax return to the extent the income is taxable.

Secondary source income loses its individual type characteristics when it is aggregated. Therefore, it is not necessary to keep track of individual types of losses. It is important to keep track of the loss carry forward for each spouse.

3. EXTENSIONS

The Sylvania Tax Ordinance allows an extension of time to file a return. **It does not extend the time to pay the tax.** Taxpayers granted extensions of time for filing their Federal income tax returns may have an extension for filing their Sylvania tax return **PROVIDED** a copy of the Federal extension is filed with the Commissioner **on or before** the original due date of the Sylvania tax return and is accompanied by any tax which may be due.

If no Federal extension was granted, a taxpayer may request an extension to file his Sylvania tax return. This request must be in writing and filed with the Commissioner on or before the original due date of the Sylvania tax return and be accompanied by any tax which may be due.

If the extension is not filed on time, the Sylvania tax return will be considered late. The Sylvania Tax Ordinance assesses a late filing fee of \$25.00 even if no tax is due.

4. OTHER CITY REFUNDS FOR TAXPAYERS WHO TRAVEL

- (A) If your position requires you to travel or work outside your base city of employment, on behalf of your employer, be sure to indicate the number of FULL WORK DAYS on the line above Schedule "A." You will be sent the necessary form for filing your refund claim of other city tax withheld on the travel time. Your base city of employment can not be the City of Sylvania.
- (B) After filling out the non-resident refund form, you may send it to the City of Sylvania or to the city to which you were withheld. All forms will be checked to verify that they are complete and then forwarded to the proper city. If you send the form directly to your city of employment, please send a photocopy with your Sylvania tax return, noting date sent.
- (C) Tax is due Sylvania on your travel days refund. If your city of employment has a tax rate of 1½% or less, the whole refund is due Sylvania. If your city of employment has a tax rate of more than 1½%, you may be entitled to a refund based on the difference between the tax rates.

5. OTHER CITY TAX CREDITS

Credits claimed for withholding to any municipality must be supported by copies of your W-2's. Attach the itemized breakdown if your W-2's are marked "Various" or "All Cities."

Credits claimed for paying tax directly to another municipality must be supported by a copy of the return filed with the other municipality.

6. SCHEDULE "X" ADJUSTMENTS

Adjustment to reconcile your Federal adjusted gross income to your taxable city income and/or to report unreimbursed business expenses. Reimbursed moving expenses may be deducted on line S of Schedule X.

7. RESIDENT EMPLOYED IN NON-TAXING AREAS

Any income earned in a non-taxing area, such as Sylvania Township, or in a city in another state which has no municipal income tax, is taxable to your resident city.

If tax has been withheld on this income to another city, please show the location of your employment under Schedule "A." On proof of claim, city tax withheld in error can be refunded to the city of residency. If the tax was withheld at a rate greater than 1½%, you may be entitled to a refund based on the difference between the tax rates.

No credit will be given for city taxes withheld to another city in error.

8. REFUNDS

A refund will not be processed unless all Federal schedules used to calculate the tax return have been sent with your return. Federal schedules and/or explanations are needed if you reduce your W-2 wages, add additional income which has no supporting documentation, or take deductions without supporting documentation.

Employee business expense refunds are given for items found on Federal form 2106. These expenses must be reduced by 2% of your federal AGI. The 2106 form and Federal Schedule A, Itemized Deductions must be filed with your Sylvania return.

If your Schedule X adjustments entitle you to a refund, you must claim your refund from the city to which the taxes were withheld. 2106 expenses are not allowed if the only expenses are on line 4. If the 2106 expenses apply to income with withholding to multiple cities, the 2106 must be prorated. Travel time refunds for Sylvania residents can not be processed until our tax office has received the money from your city of employment. The earlier you file your non-resident refund form, the sooner you will receive your refund. Non-residents who did not work in the City of Sylvania but their employers withheld Sylvania income tax must file a non-resident refund form. This form is to be completed by the employee and verified by his employer.

Amounts less than \$10.00 shall not be refundable.
