

CELEBRATING 25 YEARS  
**THE SISTER CITY COMMISSION**  
SYLVANIA, OHIO AND WOODSTOCK, ONTARIO | 1992-2017

Join us in enriching our community  
through international cooperation and exchange

**Sylvania's Sister City relationship** with Woodstock, Ontario has been an enriching experience for 25 years. It began out of President Eisenhower's movement to promote peace, understanding and economic development throughout the world through cultural, educational and sports exchanges. **Lasting ties** between our two communities have resulted from an ongoing scouting exchange and the annual Vintage Base Ball Tournament between the Great Black Swamp Frogs and the Woodstock Actives. **Greatest public involvement** is created each year when our Canadian partners attend the Sylvania Fall Festival and local officials travel north to Woodstock's Santa Claus Parade. **Future plans** by a newly energized Sister City Commission include student exchanges, partnerships between civic organizations and businesses, and much more. We invite you to join us!

**BECOME A MEMBER!** The Sylvania Sister City Commission is a community-based volunteer organization. We encourage individuals, businesses and organizations to join us and participate in one of our many programs.
