

OFFICE OF THE MAYOR  
CRAIG A. STOUGH, MAYOR

**COVID-19 UPDATE FROM MAYOR CRAIG STOUGH**  
**MARCH 17, 2020**

The safety and health of our citizens and employees is paramount during these unprecedented times. At the same time, the City of Sylvania has very important public services to provide and must maintain continuous and effective operations.

To this end, and in consultation with Lucas County and other area Cities, effective Wednesday, March 18, 2020 at 8:00 a.m. all City buildings will be closed to the public, except by special appointment or other arrangements with City staff. All employees are to report to work as normal and carry on the important functions of the City.

We understand that these are trying times but please rest assured that we are in constant contact with state and local health agencies that are providing direction on proper actions to take to protect both the general public as well as our employees. Please remember to wash your hands regularly, maintain social distance, and stay home if you are ill. Thank you. Stay safe.
