Re: ALTARA DRIVE IMPROVEMENTS
CHANGE ORDER NO. 1 (FINAL)

Dear Mr. Mayor and Council Members:

The Altara Drive Improvements Project was recently completed. The original contract amount with Helms and Sons Excavating on the project was \$367,185 and received Council approval on January 3, 2023 by Ordinance 1-2023. Now that the project is completed, the final installed quantities have been resolved and a change order is necessary to adjust the final contract price.

The installed quantities have resulted in a decrease to the original contract in the amount of \$8,223.11. The largest contributor to the decreased contract amount was switching waterline material types from ductile iron pipe to plastic pipe due to ductile iron pipe being in very short supply this construction season.

As a result, a total change order in the amount of \$8,223.11 is necessary to decrease the final contract amount from \$367,185 to \$358,961.89. Please call if you have any questions.

Sincerely,

Kevin G. Aller, P.E.

Director of Public Service

ORDINANCE NO. 56-2023

WHEREAS, the final installed quantities resulted in a net decrease to the contract in the amount of Eight Thousand Two Hundred Twenty-Three and 11/100 Dollars (\$8,223.11), for a total contract amount of \$358,961.89.

Re: Professional Engineering Services Proposal for Final Design Engineering Downtown Transportation Improvements

Dear Mr. Mayor and Council Members:

At the April 17, 2023 meeting City Council authorized the Service Department to request Letters of Interest (LOI's) from consultants to provide engineering services for the Downtown Transportation Improvements Project.

During the solicitation we received only one LOI from a team of consultants lead by DGL Consulting Engineers, LLC. This team performed the Preliminary Engineering services on the project in 2022.

The team assembled for Final Design services includes EDGE Group (landscape architecture), JDRM (lighting and electrical), Jones & Henry (water and sanitary sewer), and CT Consultants (geotechnical engineering). Subsequently the Service Department entered into scope of services and fee negotiations with DGL.

We have completed those negotiations and the DGL team has prepared a proposal in the amount of \$603,100 to complete the Final Design engineering scope of services.

We would recommend approval of the proposal in the amount of \$603,100 with DGL Consulting Engineers, LLC. Please call with any questions.

Sincerely,

Kevin G. Aller, P.E.

Director of Public Service

Scope of Services

Scope of Work

The Scope of Services was defined in the RFP announcement dated 04-24-23 by the City of Sylvania. Sheets 4 thru 6 of the 6 page announcement provided a thorough list of Final Design Service items requested by the City. These pages are included for reference in Appendix A.

A scoping kick off meeting was also held on May 26, 2023 using Microsoft Teams and included all the DGL Design Team members and the City of Sylvania (Kevin Aller and Joe Shaw). Meeting minutes from the call are also included in Appendix A for reference and confirmation of scope items.

The **DGL** itemized fee proposal is provided in Appendix B. This proposal is itemized using a typical ODOT fee spreadsheet and provides individual task items with assumed hours. ODOT's fee guidance was utilized in determining the hours. A low to medium complexity rating was assumed for most tasks.

The **EDGE Group fee proposal is provided in Appendix C**. The EDGE Group will be providing all landscape architecture services. I have not included their fee for Construction Engineering Support within our total design fee estimate.

The **JDRM** fee proposal is provided in Appendix D. JDRM will be providing electrical engineering for lighting and electrical distribution.

The Jones & Henry fee proposal is provided in Appendix E. Jones & Henry will be providing design services for the water and sanitary sewer improvements along Main Street. There are four optional services provided within the Jones & Henry proposal that are not included within our total design fee estimate.

The CT Consultants fee proposal is provided in Appendix F. CT will be performing geotechnical services for the project. Pavement borings will be taken along Main Street and Maplewood Avenue to assist with subgrade and pavement design.

Schedule

The anticipated schedule provided within the RFP will hold the October 2024 Sale Date. Every attempt will be made to maintain the intermediate submission dates.

Hi Bill -

available.

this year we weren't able to secure a presenting sponsor so we have 22 -: 30 second national TV ads

In an effort to turn a tough situation into a something positive for the community we've decided to use the 22 commercial units to promote Toledo and northwest Ohio! We're going to run two spots, one from the Toledo Regional Chamber of Commerce and one from Destination Toledo. In an effort to recoup some of our investment we've asked several organizations to make a donation toward supporting the effort to promote the community to a national audience. To date, we've received the following financial commitments: Destination Toledo (Lucas County) \$30k, City of Toledo \$30k, Toledo Community Foundation \$15k, MetroParks \$10k, Toledo Chamber \$5k, Port Authority \$5k, RGP \$5k, ConnecToledo \$5k. We hope the City of Sylvania will join these organizations by supporting the promotion.

I believe the promotion provides an opportunity to create awareness of Toledo as a destination to a national audience. By rotating the Toledo Regional Chamber of Commerce's commercial, with its holistic live, work, learn, play message, along with Destination Toledo's commercial, we will present a great image of the community! Thus, creating awareness that Toledo exists, and spark an interest in the audience to learn more. I believe it represents us as a place to live, work, learn and play. Please keep in mind that each telecast recognizes the City of Sylvania as the host community for the tournament.

I'm happy to report that the final round of this year's Dana Open will be televised live on CBS from 3:00-5:00 pm on Sunday, July 16th. Network television reaches 120 million homes as opposed to cable television that reaches 70 million homes. The first three rounds will be televised by The Golf Channel.

Please click on the link below to see Destination Toledo's new :30 second spot.
