Public Open House Invitation – Downtown Transportation Improvements Project (Phase 2)

Main Street South of Erie Street (Looking South)

The Public Service Department is pleased to invite you to our Public Open House for Phase 2 of our Downtown Transportation Improvements Project.

This project will extend our efforts from the Phase 1 footprint into the second block of Main Street between Maplewood Avenue and Erie Street. Multiple exhibits will be on display with the similar focus of expanding on-street parking, widening sidewalks, ADA improvements and compliance, reducing speeds by adding a mid-block crosswalk, and streetscape beautification.

The Open House will be held in City Council Chambers (6635 Maplewood Avenue) on Tuesday, January 13, 2026, from 5:30 pm to 7:30 pm. This is your opportunity to see the improvements, ask questions, and engage our design team. We look forward to seeing you on the 13th!!!

Sincerely,

Joseph E. Shaw, P.E., P.S.
Director of Public Service
