### **IMMEDIATE RELEASE**

#### **Goodwill to Collect Donations at Sylvania Shred Day Event on April 25**

Goodwill Industries of Northwest Ohio will participate in this year's Shred Day event on Saturday, April 25, from 9 a.m. to 1 p.m. at 6730 Monroe Street in Sylvania, Ohio.

As part of the event, **Goodwill will be on-site accepting donations of gently used clothing, shoes, and small household items.** To ensure quick and efficient drop-offs, donors are asked to place all items in bags or boxes prior to arrival.

Please note that furniture and large items will not be accepted at this event. Donors wishing to contribute those items are encouraged to visit [www.goodwillnwohio.com](http://www.goodwillnwohio.com) for a complete list of donation centers and guidelines.

“Shred Day is a great opportunity for the community to come together, protect their personal information, and support Goodwill’s mission at the same time,” said Angie Gillis, Donation Acquisitions Manager. **“Every donation helps fund our mission of job training and workforce development services for individuals across Northwest Ohio.”**
