Signed at Sylvania, Ohio, this _____ day of _____, _____.

THE CONDITION OF THIS OBLIGATION IS SUCH, that whereas the aforesaid principal has applied to the City of Sylvania for a license, which said license shall expire on the 30th day of April, _____, to engage in the business of constructing and/or reconstructing walks, driveway approaches, runways and curb openings in accordance with the provisions of Section 909 of the Codified Ordinances of the City of Sylvania, and in accordance with any and all amendments or supplements thereto and all specifications, rules and regulations promulgated thereunder.

Now, if the aforesaid principal shall, during the life of said license, well, truly and faithfully observe and abide by all applicable ordinances of the City of Sylvania and the aforesaid specifications, rules and regulations, in constructing and/or reconstructing walks, drives, etc., as provided in said Section 909 and if the aforesaid principal shall pay to the City of Sylvania, and to all other persons entitled thereto, the cost and expense of reconstructing any walk, driveway approach, runway or curb opening when required by the Director of Public Service of the City of Sylvania so to do, should any defect develop in any work during the period of one year from the first January next following the completion of said work, which said defect in the judgement of said Director is caused by the principal's failure to abide by the provisions of the aforesaid ordinance, specifications, rules and regulations; and should said principal further indemnify and save harmless the City of Sylvania from any and all claims for damage or injury to person or property to maintain the right-of-way where any such work is being done by said principal in a condition which is safe for public travel and in compliance with the provisions of the aforesaid ordinance, rules and regulations, then this obligation shall be void, otherwise to remain in full force and effect.
