

PRESS RELEASE

US-23 and Monroe Street (SR-51) Interchange Study LUC-US23-11.75 (PID: 105889)

The City of Sylvania, in coordination with the Ohio Department of Transportation (ODOT), will host an open house public meeting to update the community on a proposed reconstruction of the US-23 Interchange with Monroe Street and Alexis Road. The meeting will be held on **Tuesday, October 16, 2018, from 4:00 to 6:00 p.m. at the City of Sylvania City Council Chambers located at 6635 Maplewood Avenue, Sylvania, Ohio 43560**. There will be no formal presentation and community members are welcome to attend at their leisure any time during open house hours to review exhibits and ask questions.

The project proposes a reconstruction of the US-23 Interchange with Monroe Street and Alexis Road in the City of Sylvania. Also included are improvements to intersecting roadways between Harroun Road and US-23. The project is in the Feasibility Study and Alternative Evaluation phase and we are asking for public input on the alternatives to improve deficiencies, increase capacity and accessibility at the Monroe Street interchange.

Representatives from the City of Sylvania, ODOT, and the consultant team will be available to provide information, answer questions, and discuss the proposed project. Additional information and supporting documentation regarding the project is located on the City of Sylvania's website at: www.cityofsylvania.com.

Questions and comments on the project are welcome at any time during the course of the project, even by those unable to attend the meeting. However, we ask that comments on the information presented at the public meeting be submitted by November 16, 2018 so that we may consider and address them in a timely manner. Media inquiries and requests may be made via comment form at www.cityofsylvania.com, or via Joseph Shaw's contact information below.

Individuals who may require interpretation services or a reasonable accommodation to participate in this meeting should contact me no later than 15 calendar days prior to the public meeting (October 1, 2018). Public participation is solicited without regard to race, color, sex, age, national origin, or disability.

We appreciate your involvement!
